**DIRECTORATE GENERAL (AH & ES) OF
LIVESTOCK & DAIRY DEVELOPMENT
DEPARTMENT BALOCHISTAN QUETTA**

DATED, QUETTA, THE 16 September, 2024

To

- 1. The Divisional Director**
Livestock and Dairy Development
Department, Quetta, *Makran, Kalat, Zhob, Sibi, Naseerabad, Rakshan* Division.
- 2. All the District Livestock Officers**
Livestock and Dairy Development
Department, Balochistan, Quetta.

Subject: DEPUTE STAFF FOR FIGHT AGAINST CONGO VIRUS ON EMERGENCY

With reference to the, Provincial Health Directorate Balochistan, Quetta, subject cited above.

As you know very well, that the situation is critical due to the outbreak of Congo virus, few cases reported of CCHF and few patients are admitted to Fatima Jinah Hospital Quetta due to suspected CCHF infection. The recent increase in cases necessitates prompt and proactive measures to prevent further spread and protect both Animals (carriers) and Human from this deadly disease.

In addition, there will be frequent transportation of ruminants across the district, Province and Country borders for sale of animals/moment of animals and there will be more chances for prevalence of contagious and zoonotic diseases specially CCHF.

Due to the above mentioned reason you are hereby directed, to depute the staffs with necessary equipment's, and medicines for control of diseases specially fatal disease CCHF on identified places recognize by the **Local Administration Department** and to all entry checkpoints for spraying of animals entering or leaving in your domain districts and these check points is properly sprayed to mitigate the risk of infection and contain the spread of the virus and under the intimation to this office on priority basis without further delay.

Matter may be treated as most urgent.

16-09-2024
(Dr. Jayed Ali)

Deputy Director (HQr)
Directorate General (AH & ES)
Livestock and Dairy Development:
Department Balochistan Quetta.

CC:- The Secretary, Government of Balochistan, Livestock & Dairy Development Department,
